We found articles that said the LA Declared Parishes had extended to 12 – and the lists match your list. So, to be official, do we go with your list because it includes all of the newly designated parishes?

☺ Melody

Your list ... Louisiana PA-B

Beauregard (Parish), Calcasieu (Parish), Cameron (Parish), Jefferson Davis (Parish), Vermilion (Parish), Allen, Acadia, Iberia, Natchitoches, Rapides, Sabine, and Vernon.

Steve,

Thank you again for sending the list of Declared Counties/Parishes yesterday.

Here's a to-the-point question:

The list you sent yesterday (below) for LA PA-B and the FEMA LA Disaster 3382 page PA-B don't match.

<https://www.fema.gov/disaster/3382/designated-areas>

Which do we follow if we want the "federally declared parishes"? The number of affected NPL sites changes between the two lists.

I apologize if someone else is supposed to send this to you. I'm not in the REOC.

They just added three more counties for Categories A and B

Polk, Tyler, and Walker.

So...

- There are 36 total counties declared for FEMA-4332-DR-TX: 32 counties IA and PA Cat A & B and DFA in addition to 4 counties PA Cat B and DFA

Hi Steve,

Katrina needs a description the possible "categories" for the federally declared counties and parishes, plus the category designation for each county/parish. Do you have that available? Any format (txt, xls, doc, etc.) is perfect. I talked with Eric Delgado and he mentioned I should get in touch with you.

Also, I wanted to verify if Waller County or Walker County is one of the federally declared counties. I saw a website with Waller. <https://www.disasterassistance.gov/>

Thank you!!

Melody
